

Pressrelease TimeCode Alpha: Freakshow

New Swedish progressive project **TimeCode Alpha** debut album **Freakshow** (SRCD01) is released on Spinfox in July. Final mixes by Andy LaRoque at Sonic Train Studios. Mastering by Dragan Tanaskovic at Bohus Sound.

Being the brainchild of guitarist **Peter Lazar**, TCA also includes singer **Mads Clausen** (Biscaya, Empire) and bassplayer **Ken Sandin** (Alien, DaVinci, Transport League, Kee Marcello's K2). Plus prominent session players such as **Johan Randén** and Svetlan Råket.

With songs like Face the ground, Mr Looser, We have to understand etc. the album's got an existential theme. Progressive, symphonic hard rock with strong melodies!!
